EXTRACTS FROM THE CONSTITUTION AND BY-LAWS.

An **Active** member must submit proof of graduation from an accredited institution of higher learning, or two years of professional experience in a position of responsibility in lieu of each year of college work required.

An **Associate** member can be only such a person who has qualifications for Active membership but resides outside the metropolitan area of Chicago. Active members automatically become Associate member, as soon as they establish residence beyond the limits of the metropolitan area of Chicago, unless they specifically request retention of their Active membership.

An **Affiliate** member shall be a person, who at the time of application for membership is identified with related engineering or scientific endeavors, or a student in engineering sciences.

A **Sustaining** member shall be a firm or corporation, which at the time of application shall be identified with engineering or scientific endeavors. A Sustaining member may appoint as a representative a person who has the qualifications of an Active, or of an Affiliate member.
