You are cordially invited to attend Award and Recognition Banquet which is being organized by Polish American Engineers Association. Our event will take place on November 12th in the Blue Room of European Crystal Banquet Halls located at 519 West Algonquin Road in Arlington Heights.

We will celebrate 77th anniversary of the founding of PAEA. Additionally we will recognize five members of our organization who thru their loyal support over many years assisted PAEA in raising prestige of Polish engineers in United States, promoting cooperation with Polish and US academia and furthering our mission and vision in the Chicago area. Recognition plaques will be awarded to: **Joanna Jacobs, Professor Jan Dykla, Dr. Joseph Wojciak, Adam Czyszczonek and Tomasz Karasiewicz.** We are grateful to all those who made significant contributions to the long term wellbeing of our organization: Recognizing loyal and long time members of PAEA has been our tradition for many years.

Recognition will be extended to 2010-2011 featured speakers who provided a series of very interesting presentations covering a variety of topics ranging from civil to bioengineering. We feel very strongly that topics presented and discussed during the technical sessions help PAEA to promote engineering as a preferred career choice. We invite Polonia youth to attend our monthly meetings to learn more about engineering and sciences. Therefore we are extremely grateful to the individuals who sacrifice their leisure time and share their knowledge with attendees of our monthly meetings. Recognition for the 2010-2011 year goes: **Dr. Danuta Stadnicka, Prof. Michal Wnuk, Dr. Jacek Leya, Dr. Jan Plachta, James Pawlikowski, Tadeusz Hofkin, Norbert Barszczewski, Colonel Fred Drummond and Adam Allan.** We are hoping that you will help us congratulate and recognize all of the above individuals on November 12th, 2011.

Banquet will be preceded by the Annual meeting of the Council of Polish Engineers in North America. Meeting will take place at the Kings Hall of the Copernicus Center. Attendees will join us later during the Banquet. Meeting will commence at 9AM and is scheduled to conclude at 3PM. Please contact Michael Niedzinski (773-415-1818) if you wish to participate in the meeting.

Finally we would like to offer an opportunity to promote your organizations, businesses and events thru ads that will be included in our Commemorative Book. All proceeds are used for the annual Ralph Modjeski Scholarships awarded to students of engineering. Deadline for placement of ads has been extended to November 4th 2011. All inquiries should be directed to: 773-415-1818 or to www.polishengineers.com

Michael (Miroslaw) Niedzinski
