## Let's sing!

The best caroling is at the

**"PMA-AMOPD Wieczór Koled (Evening of Carols)"**

- an evening of bilingual caroling.

This annual event is always fun. It starts with a cocktail mixer, and then everybody sings, including you! You will get a little songbook, and, accompanied by a piano, you will join the crowd in singing songs, including "Jingle Bells" and "Bóg się rodzi." Afterwards, there's a hot buffet of delicious Polish food.

Come join others who share your heritage. Immerse yourself in the cultural richness of Christmas celebrations. Renew the bond with an important part of yourself, and refresh your link with the community.

The date of the event is Sunday, January 18th, 2015 – keeping with the Polish tradition, where caroling only starts on Christmas Eve, but then can continue throughout January. Please save the date!
