Dear Members,

We can finally close the 2015 elections.

Of the 62 members qualified to vote, 33 approved the list of nominated candidates. Since 53.2% of the members took the time to vote / return ballots, the new officers are elected according to the PAEA By-Laws. There were no write-in candidates. Also, there were no votes against the nominated list. Thus, we can state that the vote was 33 for and 0 against the proposed slate.
